Veritas Collegiate Academy
EEC Campus AP program

Welcome to the AP Program at Veritas Collegiate Academy's EEC Campus in Thailand, where excellence meets tradition in perfect harmony. Our program is designed to complement our rich Classical pedagogy, combining the best of both worlds to provide students with a comprehensive and holistic education. With a strong foundation in Classical studies, students are equipped with critical thinking, analytical skills, and a deep appreciation for the classics. This forms the bedrock upon which our advanced placement courses build, propelling students to explore and excel in diverse subjects, ranging from mathematics and science to literature and the humanities.

At Veritas, we believe that blending the Classical and AP approaches fosters a well-rounded education that nurtures creativity, adaptability, and a love for learning. Our expert faculty, well-versed in both methodologies, provide personalized guidance to each student, ensuring they reach their full potential. As a result, our graduates not only excel in AP exams, earning college credit, but also emerge as well-rounded individuals prepared to tackle the challenges of higher education and contribute meaningfully to society. With the AP Program at Veritas Collegiate Academy EEC Campus in Thailand, students embark on a transformative journey that embraces the wisdom of the past while embracing the promise of the future.
